

NORTH KELVIN COMMUNITY COUNCIL

ELECTION

We have 6 vacancies on the Council and warmly welcome new members who would like to join us in trying to improve our local community. We also aim to act as a forum for local concerns and to pass local views on to Glasgow City Council. Members are all volunteers and the Community Council is non-party-political. We meet on the first Tuesday evening of the month (except July & December) at St Charles Church Hall, 1 Kelvinside Gardens G20 6BG.

If getting involved appeals to you, please fill in a nomination form (download from our website or obtain from Glasgow City Council: contact details below). Anyone over 16 years of age who lives within our boundary area can stand for election, as long as the candidate's, proposer's and seconder's names appear on the Electoral Register. If your name isn't on the Electoral Register, you can obtain a supplementary form from Glasgow City Council to confirm your address.
